

## *As your independent MP, I will continue working to deliver ...*

-  Further reticulation of natural gas to towns in Gippsland East
-  Further concessions for those reliant on bottled gas, including pensioners
-  Further education and training opportunities in Gippsland
-  Continue work in rehabilitation and protection of the Gippsland Lakes
-  Sealing and upgrading of key regional roads
-  A more equitable system of local government funding for rural councils
-  The protection of a sustainable timber industry in our region
-  Restoration of the full 28% flow to the Snowy River and protection of the waterway systems in the region
-  Construction of an ocean access ramp at Mallacoota
-  Ensure that Gippsland East has access to quality health services including specialists
-  Establishment of a container deposit scheme for cans and bottles
-  Full transparency of major donations made to political parties and candidates
-  Greater police numbers working to keep our communities safer
-  Major investment in tourism infrastructure in the region's National Parks
-  Continue funding for irrigation infrastructure improvement
-  Continue to work for you
